Gentlemen

Your favour of the 8th inst to hand and contents noted. I regret to say, that my monograph on the Waterloo Medal has not been sold, and therefore, I cannot supply you you with one. One hundred copies were printed and the forms were then broken up and it will not be reprinted. With but very few exceptions, the same were placed by me in the libraries of learned Society's and universities by gift. I have two copies left, but would not sell them for $100 a piece

Yours very truly

Isaac Myer
